From your carriage you'll see the fields of the Canterbury Plains and farmland, followed by the spectacular gorges and river valleys of the Waimakariri River. Further south you pass through the township of Ross which was the centre of one of New Zealand's richest alluvial goldfields in the late 1800s. Further along, travelling down the West Coast enjoy the beautiful landscape of vast rainforests, gushing waterfalls and snow-capped mountains before arriving into the small village of Franz Josef. With easy walking at your pace, information on glaciology, geology, geomorphology, flora and fauna, local legends, history, and small guided groups with fantastic guides, you will experience this glacier in style and in the best hands with the only local company. Wander past glacier rivers and streams and through beautiful podocarp forest; discover hidden natural treasures such as native snails, wild native mushrooms, and dozens of species of native orchids; listen to native bird song and waterfalls; see if you can spot a Chamois or a Tahr on the huge snow-capped mountains above while drinking a cup of tea and talking one-on-one with your guide.
