Day 19

Dunedin to Queenstown

This drive takes you through the heart of the historical Otago Goldfields. The townships of Lawrence, Roxburgh and Alexandra, once booming mining towns in the late 1800's gold rush now sleepy sun-traps bearing little resemblance to their bustling past. However, some buildings do remain as do the original shafts and workings. In more recent times Alexandra has become the 'stone fruit capital' of New Zealand, with the ideal climate for the trees. It is also a great place to buy some of the local produce. The road follows the South Island's longest river, the Clutha River, and at Clyde, you will see one of the largest hydro power stations harnessing its energy before passing through Gibbston to arrive at your destination today, Queenstown.
